

Thank You, Georgia!

Dear Georgians,

Thank you! Because you showed up to the polls in 2020, 2021, AND 2022, we've seen the impact of your vote - tons of policy wins that are bringing resources to our communities. NGP wants to thank YOU for these wins and make sure you know that this is the change we can see when we vote.

More Money in Our Pockets

The American Rescue Plan provided Georgia families with a little extra change in our pockets!

- One-time stimulus checks
- Extended unemployment benefits
- Child tax credits – this benefit cut childhood poverty in HALF!
- Provided state and local governments with funds for rent and utility relief for tenants

Better infrastructure in our communities

The Infrastructure Investment and Jobs Act (aka Build Back Better infrastructure plan) will help Georgia become prettier, safer, and more connected!

- Slowly, but SURELY fixing our roads and bridges – talking about those potholes!
- Increased funding for public transportation services
- Expanding access to broadband internet to rural cities in Georgia
- Eliminating lead pipes and cleaning up the water supply networks in Georgia

Cleaner air, better housing, and boosting small businesses

The Inflation Reduction Act will help our environment + adding opportunities for Georgians!

- Small business tax credits for business owners using solar power
- Decrease greenhouse gas emissions for less pollution – electric vehicles on the rise!
- Lower prescription costs for Medicare patients and seniors
- Grant programs to upgrade affordable housing across the state

We got all of these wins because of YOU! NGP is thankful for voters like you and we're grateful for the changes we have seen because you showed up. In 2024, we get to flex our voting power again to bring even more resources to our communities. We hope to see you at the polls again! Until then, Thank you, Georgia!

With gratitude,
Team NGP
